

Sandoval County Amateur Radio Emergency Service

Regular Meeting

December 16, 2019

Ben-KD5DCN called meeting to order at 19:03. [Rio Rancho Fire Admin Building]

9 members were present.

Treasures Report: Ron-NM5AA gave report. Checking - \$ 4,273.96, Savings - \$ 11,157.19

Trailer:

Bill-K8TE donated a MFJ-107B clock.

Ben-KC5DCN said he is working on the door, wheel and spare tire.

Tom-W5THS said he has a wheel that will fit, also he is working on the Solar system.

David-N6SIK will order (2) Icom IC-2730 radios.

Brian-KG5WEG said that his truck is broke and also he is getting double hip replacement, so he wouldn't be able to tow for a while.

Repeater System: Chris-NM5F presented bills of Approx \$ 1800.00.

Ron-NM5AA reported that link between the 147,10 and 443.00 didn't seem to be working earlier this evening. Chris-NM5F said he will check on it.

Bernalillo County ARES:

Jim-KC5RUO reported that BCARES has a new web site, www.nmbcares.org

BCARES will take over the Cedro Peak Run in 2020 with he being event coordinator. He will work with Ron-NM5AA, The date is April 18, 2020.

They will be mentoring an ARRL EOC-001 class, starting in January 2020, will check with John-N5JFN to see they can add more to the class.

Intel Repeater:

Brian-KG5WED reported that there is only the basic repeater and parts left. If we need to do work on the system, we would have to be escorted.

Chris-NM5F will work up a parts list to link to our system.

ARRL Section Manager: Bill-K8TE reported that the ARRL is bringing out a new magazine for the new hams, that they can get in place of QST which can be to technical for some.

Misc: Ben-KD5DCN said that Jay-W5WHN reported on an old subject of the venerability of Cochiti dam. We need to give that scenario some thought, as part of the National Disaster Plans. Albuquerque EOC wants to get their amateur equipment operational, BCARES is helping with that task.
