

Sandoval County Amateur Radio Emergency Service

Regular Meeting June 17, 2019

Meeting opened by Ben-KD5DCN at 7:00 pm.

11 Members were present.

Treasurers report accepted as read.

Chris-KC5IZR reported he talked to Seth Mueller about accessing the repeater sites. Seth didn't know the procedure. Ben-KD5DCN suggested he talk to Rio Rancho Fire Chief Paul Bearce for help.

Ron-NM5AA stated that the Corrales Fire Chief has concerns about the anti-donation law with our presence at the Angel Rd site. Ben-KD5DCN stated that as he understands, Corrales owns the land and the building while Sandoval County owns the tower which was relocated from station 5.

Chris-K5KKW reminded us that since Alex-KC7MQZ has left, we need someone to take over the maintenance of our facebook page.

Bill-K8TE reported on the progress for the Duke City Hamfest Sept 20-22, 2019. Some of the speakers and the possibility of a major ham dealer.

Tom-W5THS reported on the build status and expenses to date of the communications trailer.

Ben-KD5DCN said he will talk to Gary-K5BIQ about the antenna mounts on the trailer.
