

Sandoval County Amateur Radio Emergency Service

February 17, 2020

Meeting called to order by Ben-KD5DCN at 19:00.

10 members and 1 visitor were present.

Treasurers Report: Checking-\$ 2,248.42 Savings-\$ 11,157.37.. Balance Trailer-\$ 2,459.22.

Repeaters: Intel link working ok. When linked has twin beeps. Has tone on Tx. History of ownership is currently somewhat blurred. New Link board installed on LaMadera machine.

Visitor: Kevin – K7KSH introduced himself.

Board of Directors have decided to bring up to date the current repeater system, then look to go to RF linking.

Trailer: Gary-K5BIQ has programmed and installed the (2) new Icom IC-2730's in the Trailer, went over the programming and frequencies installed.

Tom-W5THS is working on the Solar charging system.

Brain-KG5WED purchased a 17ft A frame ladder for the trailer.

Still needed; clock, shovel, headphones, generator, telescoping mast, antenna, side door alteration, printer, wheel boot, insurance(arrl?).

Need to get HF antenna installed at RR EOC, Brain-KG5WED with work on that.

We need 2 Emergency coordinators, if interested contact Ben-DC5DCN.

Upcoming Events: April 18, 2020 Cedro Peak. If interested contact Jim (KC5RUO@ARRL.net)

Tom – W5THS
Secretary
