

Sandoval County Amateur Radio Emergency Service

Regular Meeting

January 20, 2020

Meeting called to order by Ben-KD5DCN at 19:00.

10 members and 2 visitors were present.

As there were 2 visitors, went around the room for introductions.

Treasurers Reports: Checking - \$ 1261.75, Savings - \$ 11157.27

We are caught up on Repeater maintenance bills.

There is still \$ 2500.00 left in the repeater/trailer fund.

Tom-W5THS said he is working on the Solar charging system for trailer, approx \$ 450.

Repeaters: Currently all are linked. They have the capability to tell their status.

Trailer: Tom-W5THS reported that he is working on the Solar charging system.

Gary-K5BIQ will program the new IC-2730's.

Tom-W5THS reminded that if you are an Amazon user, if you sign in via smile.amazon.com it will ask you if you want to support a charitable origination. We are listed as a charitable organization.

Ben-KD5DCN reported that he was to meet with Seth Mueller Sandoval County EM but had to cancel because of illness.

Upcoming Events: April 18 Cedero Peak. Jim-KC5RUO will be running the event this year. Ron-NM5AA will be advising.

May 23 Jemez Trail Run, currently no details.

Dennis-K6IFB asked what ICS courses are needed. Was told 100, 200, 700, 800, 802. He also reminded us of the New Mexico Tech Fest on Saturday February 29, 2020.

Application for membership: Yul Bratcher – WA5YUL. Motion by Ron-NM5AA, seconded by David-N6SIK to approve, motion carried.

Tom – W5THS
