

Sandoval County Amateur Radio Emergency Service

November 16, 2020

Because of the ongoing COVID19, a net was held in place of the meeting.

Ben-KD5DCN started the net at 19:30 local time.

12 member and 5 visitors checked in.

Ben-KD5DCN reminded that dues are due by the end of November if you want to vote in the January election.

Ron-NM5AA read a notice from ARRL in response to Hurricane Iota. Please avoid 14.325, 7.268, 7.180, 7.098 frequencies.

Jim-KC5RUO reported that the Red Cross Winlink drill on Saturday was a success. Members from Bernalillo and Sandoval Counties participated.

Ben-KD5DCN Reminded that the election of Officers and Board Members will be held at the January meeting. Wondering how we can have the elections if meetings are still restricted.

Ron-NM5AA stated that we can not do the elections over the air as that would be "doing business" as we are a corporation.

Nominations are to be Emailed to Ben kd5dcn@aol.com and Tom w5ths@arrl.net.
