Theo – KJ5IBZ opened the meeting with leading the group in the Pledge of Allegiance. He then on to cover several topics:

Reminding everyone to stay current on Fire and Wind weather advisories.

Reported that had gotten several Gate Only Access Cards. Gave 1 to Tom-W5THS. If anyone else needs one to contact him.

Asked about the Key for the Radio Room. Was told to come in during the day and someone will let you in. No other information was given.

Trying to contact a tower climber, but with no luck.

Status of Radio work still confusing at SRMC.

John – K15YIF gave a talk on MESMcore on 915Mhz which has gotten very popular in the area. He had several pieces with him and explained their functions. He and **Theo-KJ5IBZ** will bring more equipment to our next meeting for a more in depth discussion.

A reminder of a **WINLINK** class on July 25, 2026.

From **Brian – KG5WED**, When you are scheduled as a NCS and you can not cover it please get ahold of of Brian so we can get coverage. No, we do not move everyone up a week.

Tom – W5THS reminding what **Brian-KG5WED** reported from his experience at the Jemez Mountain Marathon a need arose where he needed SAR frequencies. Tom reported that **Gary-K5BIQ** has a VHF-Hi band radio. He will program it and we will install it in the Comm trailer.

Meeting adjourned at 20:00 hours
